IN THE GULL'S NEST

Despite losing last weeks game to Newberry, the Gulls' offense did generate plenty of excitement. Salisbury rushed for 368 yards with Jim Watson carrying for 226 of those yards in 28 carries and Levi Shade accounting for another 129 on nine carries. Watson became the first Salisbury back to gain over 1000 yards in a single season. It was his second game this season with over 200 yards rushing.

A tentative schedule for the 1975 football season is listed on Page 1 of the program. We hope to see many of you who have supported the Gulls this season with us again during the coming winter and spring seasons and again when Salisbury returns to the gridiron in the fall.

1974 SALISBURY STATE STATISTICS

(8 GAME TOTALS)

TEAM STATISTICS

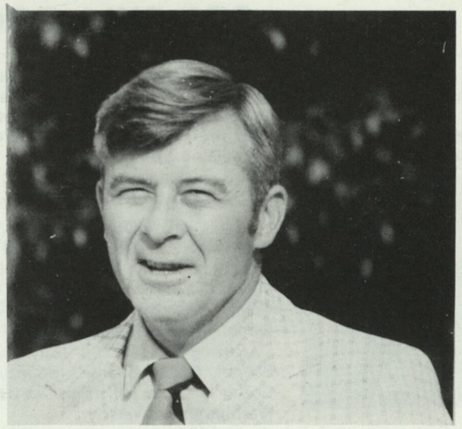
OPEN FRIDAY 'TIL 9

SALISBURY'S PRESIDENT



Dr. Norman C. Crawford, Salisbury State's fifth president, has overseen many of the progressive changes on the campus during the past four years. Since his arrival in 1970 enrollment has almost tripled with more than 3100 students taking courses this fall.

Dr. Crawford holds a B.S. in Education and M.Ed. degrees from Rutgers University and his Ph.D. degree from Northwestern University. He served as an officer in the U.S. Navy for four years during the Korean War, both as Navigator on a destroyer and as instructor in Nautical Astronomy at the Naval Officer Candidate School.

Much of his professional career has been directed toward expanding higher educational opportunities, particularly for the financially disadvantaged. He has been a financial aid and admission officer at Rutgers, Director of Examinations of the College Entrance Examination Board, a specialist in higher education with the U.S. Office of Education and for five years served as Scholarship Director of the National Merit Scholarship Corporation. His research and publications contributed significantly to the establishment of the federally funded Educational Opportunity Grants Programs.

Dr. Crawford lives on the campus with his wife, Garnette, and two daughters.

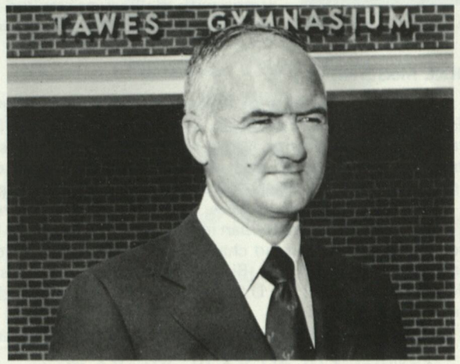
CHAIRMAN OF THE PHYSICAL EDUCATION & HEALTH DEPARTMENT

Dr. K. Nelson Butler joins the Salisbury State faculty this year as the Chairman of the Department of Physical Education and Health. He comes to Salisbury after spending the past six years teaching and doing research at the University of South Florida, Tampa, Fla. While there, he served as Director of the recreational sports program, and Associate Professor of Leisure Studies, College of Social Sciences.

Dr. Butler is a graduate of the University of Tampa. He was awarded his M.A. at Appalachian State Teachers College, Boone, N.C., in 1963 and his Ed.D. from the University of Tennessee in 1968.

Dr. Butler is a former Vice President for Recreation of the Florida Association of Health, Physical Education and Recreation. He is also a member of the American Association of Health, Physical Education and Recreation; the National Recreation and Parks Association; the National Intramural Association; the Society of Park and Recreation Educations and the International Committee for Sociology of Sport.

SSC's ATHLETIC DIRECTOR



Deane Deshon came to Salisbury State in 1962 and he immediately began to build and rekindle the baseball and basketball programs. He began as physical education instructor and in 1971 was named Athletic Director.

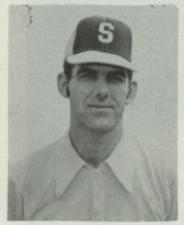
A native of Maine, Mr. Deshon did his undergraduate work at the Maine Maritime Academy and University of Maine. He holds a M.A. degree from the University of Maryland.

With the number of varsity sports growing to ten over the past few years and the intramural program developing rapidly, the AD's task has become increasingly more difficult.

SEA GULL FOOTBALL COACHES

Much of Salisbury's success in football in the two years the Sea Gulls have been playing is due to the coaching of Dick Yobst and his assistants M.P. Minton, Chet Hanulak, Mike McGlinchey and Mickey Kwiatkowski.

Not one of the coaches is limited just to football as each has another job at Salisbury State or in the town. Coach Yobst believes this to be an added strength to the football program at Salisbury. "The variety in backgrounds, personalities and jobs is an added strength in dealing with the players. All the players can find some coach to talk to."



HEAD COACH DICK YOBST

A native of Oxon Hill, Md., Dick Yobst graduated from Western Maryland College where he earned a B.S. degree in Physical Education in 1963. He was a four-year football letterman and was co-captain of the Western Maryland team his senior year. He also earned honors as a three year all-Mason-Dixon Conference End, and all-Middle Atlantic Conference Player, all-Maryland Small College team and Methodist all-American in 1962. He was also a two-year letterman in football at Oxon Hill High and a co-captain of the team his senior year.

During the 1963-64 year, Dick was named Soccer and Gymnastics Coach at Taney Junior High School, Prince George's County. He also served as Assistant Football Coach and Junior Varsity Coach at Oxon Hill High. At the end of the year, Dick was awarded a Masters degree from George Washington University.

Dick came to Salisbury in 1964 when he became Head Football Coach and Assistant Track Coach at James M. Bennett Senior High. He organized the Bayside Conference, was Chairman of the District V Football Committee and a member of the committee which wrote the curriculum guide of Family Life and Health Education.

He joined Salisbury State in 1969 when he was appointed Assistant Dean of Students. Before being named Head Football Coach in December 1971, Dick coached the track team. He also served as Director of Placement for four years.

M. P. MINTON

M.P. Minton, a Salisbury native, was a 1962 graduate of the University of Maryland, majoring in History. He has also received his M.A. in Public School Administration from Maryland in 1966. The Sea Gulls' Defensive Line Coach also attended Syracuse University from 1957 to 1958 where he was a member of the undefeated Syracuse University freshmen team.

Well known locally, M.P. was Vice-Principal of Bennett Junior High for three years. He also served as Line Coach and Assistant Track Coach at Wicomico Senior High for five years while teaching Histroy.

Since joining the Sea Gulls in 1970 as Associate Director of Admissions, M.P. has also helped start the golf program. He was appointed the first Golf Coach at Salisbury in 1971 and held that job for two seasons.

CHET HANULAK

Offensive Backfield Coach Chet Hanulak is a former professional football player with the Cleveland Browns and a star running back for the University of Maryland. Chet was a 1953 all-American. He was a member of the Terrapins victorious 1951 Sugar Bowl team as well as the 1953 squad that lost to Oklahoma, 7-0, in the Orange Bowl.

Drafted by the Cleveland Browns in 1954, Chet was selected "Professional Rookie of the Year" in the NFL after a great first year. He scored one touchdown in the Browns victorious, 57-14, NFL Championship game over the Detroit Lions. His best game was a three touchdown effort against the Pittsburgh Steelers.

Chet joined the Air Force as a Second Lieutenant in 1955 where he coached and played on the Bolling Air Force team for two years. He returned to civilian life in 1957, but a knee injury that season with the Browns resulted in his retiring from professional football.

Chet is the manager and owner of the Super-Clean Car Center on South Salisbury Boulevard.

MIKE McGLINCHEY

A native of the State of Washington who grew up in Newark, Del., Mike McGlinchey received his B.A. in Physical Education from the University of Delaware in 1967. While at Delaware, Mike was awarded six varsity letters including three in wrestling and one each in football, soccer and baseball. In his senior year, he received the Outstanding Senior Athletic Award and the W.S. Red Tawes Award, presented to the most outstanding wrestler.

Mike also received his M.A. in Education-Administration from Delaware.

Mike was a three-letter-man in football, wrestling and baseball at Newark High and as a Junior he won the State 103-pound championship in wrestling. Following his college career, he served in the Army, winning both the Fifth Army 191-pound wrestling championship while at Ft. Leonard Wood, Missouri, and the U.S. Army European Command 191-pound Championship at Baumholder, Germany.

Besides serving as the Defensive Coordinator for football, Mike is also head Wrestling Coach and Assistant Baseball Coach.

SEA GULL FOOTBALL COACHES (CONTINUED)

MICKEY KWIATKOWSKI

Mickey Kwiatkowski rounds out the coaching staff. Mickey, a native of Clifton Heights, Pa., received his B.A from the University of Delaware in 1970. He was a two-year letterman on Delaware's MAC Championship team and Lambert Cup winning squads. He participated in two Boardwalk Bowl games and was voted all-MAC as a guard his senior year.

During the next year, Mickey was Line Caoch for the Delaware freshman football team and the varsity during the spring drills. He earned his Masters of Education degree from Delaware in 1971. Before joining Salisbury State in 1973, Mickey spent two years in the Army as Chief of Instructor Training Branch of Instructor Methods Division of the Army Security Agency Training Center and School at Ft. Devons, Mass.

Mickey serves as the Offensive Line Coach. He is also the Assistant Director of Housing.

JOHN WATSON (Student Assistant)

John Watson returns to Salisbury as a student assistant after a brilliant career of collegiate football. Last year, in his final season of eligibility, Johy was co-captain of the Sea Gulls' squad. He played strong side linebacker as well as handling much of the kicking work.

The team's leading scorer, he intercepted three opponents passes last season, returning all three for touchdowns. He scored a total of 56 points, including four field goals and 26 extra points.

John's outstanding football attributes were acknowledged this summer when he was signed as a free agent by the Washington Redskins. He stayed with the squad of coach George Allen for six weeks before being placed on waiver. John also played football for the University of Miami.

A physical education major, he plans to graduate in December.

SALISBURY STATE COLLEGE

Founded in 1925, Salisbury State College is a co-educational, fully accredited four-year liberal arts college located in the heart of Maryland's historic Eastern Shore.

The college offers 28 undergraduate programs leading to the Bachelor of Arts and Bachelor of Science degrees and graduate programs leading to the Master of Education Degree and the Master of Arts Degree in History. Salisbury also offers the College Level Examination Program (CLEP) making possible credit for learning acquired outside the classroom; Advanced Placement to offer immediate sophomore standing to qualifiers who take exams; internships (work-study) in special areas; a Summer Educational Experience (SEE) Program for some students to be admitted who ordinarily would not qualify; and a number of credit and non-credit courses given at night for students as well as area residents.

Salisbury State also offers a wide variety of cultural and athletic activities. Concerts, lectures, plays and films are some of the cultural activities that visit the campus. The college offers 11 men's and seven women's varsity sports. An intramural program is also developing.

Salisbury is the fastest growing State College in the State of Maryland public system of higher education. It is governed by the Board of Trustees of the State Colleges and is supported by appropriations authorized by the State Legislature. The estimated undergraduate enrollment for 1974 is 2600 men and women.

HEAD COACH: Challace Joe McMillin
ASSISTANT COACHES: Jack Arbogast, Brad Babcock, Ellis Wisler, Jimmy Prince

BEHIND THE SCENES

There are many people who are never seen on the football field or sidelines who help make up "the team". "The team" is composed of all the people who help get the football squad (and in many cases, many of the other teams) on the field and support it.

Many people we see on the sidelines weekly are listed elsewhere in the program and much of the credit goes their way as it should. Coaches, managers, trainers and athletic administrators have the brunt of the work while the band and cheerleaders work hard in providing moral support.

But what about the coaches wives who must wait for their husbands to come home from practice or from studying game films or . . . the guy who takes the films, Mark DiMaria. How about the photographers who take the action pictures for the programs — Wayne Hollyoak, Dony Ward and Chris Gavrelis.

Everyone at the Eastern Shore Advertising Agency and Evans Printing Company deserve credit for their work on the programs. Ward Lambert and Mark Holloway spend much time and energy getting the programs and other concessions to everyone in the stadium.

Credit is also due to R.T., Ed Vaughn, Jay Young and Fran Gebhart for their work on the radio broadcasting of the Sea Gulls' games. Likewise, the people who make up the television crew and put SSC on TV have done an excellent job.

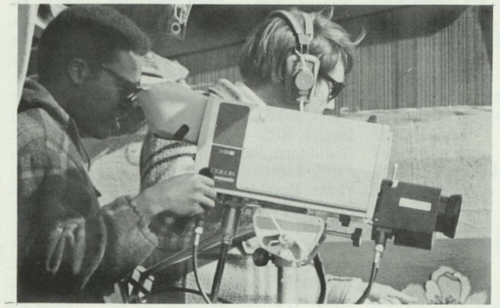
The writing of all the programs and much of the information on the sports at SSC is due to Greg Islan, the Sports Information Director.

And finally, all those people pictured deserve credit for their part in making up "the team".

Left, Dr. Norman Crawford, President. Right, Betsy Hanulak and Susan Yobst, coaches wives.

Front Left, Terry Kwiatkowski, and front right Mary Lane McGlinchey, coaches wives.

Wayne Fox, Director of Public Relations.

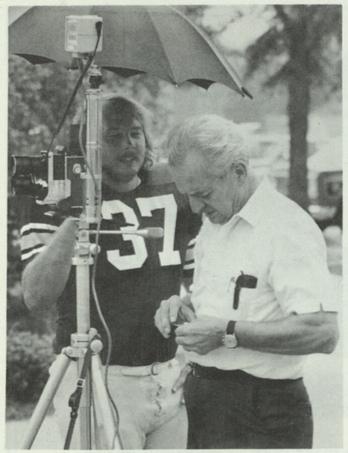


Bill Thompson, TV Director.

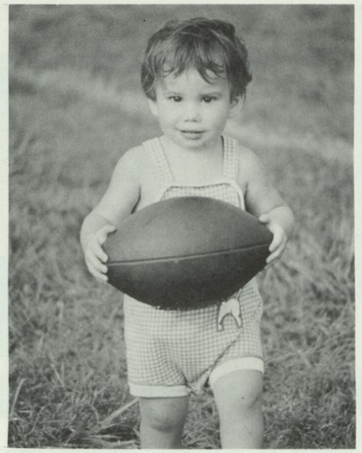
Nancy Lytwyn, the artist behind the covers.

Angela Parks, Coach Yobst secretary.

Edna Crum, Assistant Secretary in the Public Relations Office. (It's her birthday today! Happy Birthday Edna.)



Benn Maggs, chief photographer for the program. (Ronny Dallam keeps the sun off Benn during football picture time.)



Patrick McGlinchey, coaches son, fan and . . . future player?

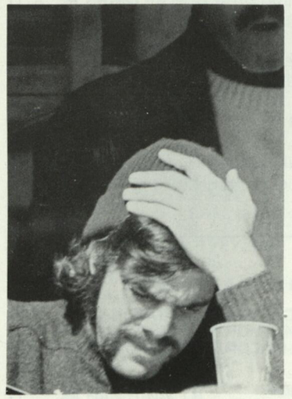
Mable Thomas, secretary in the Public Relations Office.

Mark Deshon, statistician.

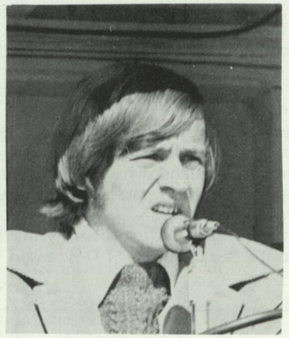
Liz Paone, statistian.

Some of the crew at Eastern Shore Advertising Agency who set type and layout the programs. (L-R) Gwen Ogden, SSC '70; Ken Heineken; Linda Poole; Greg Islan, Sports Information Director at SSC; Gloria Wise and Ron Kelley.

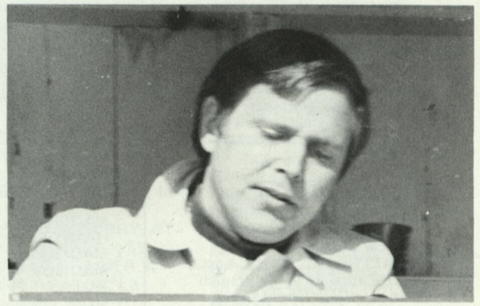
Calvin Dennis (L) and Roland Allen prepare to line the practice field.



Bob Hillman, statistician.



Chris Thomas, the game announcer and sportscaster for WBOC.



Rick Cullen, sports editor of the Salisbury Times.

DR. RONALD E. CARRIER
President

A Look At Madison

Madison College is located in the heart of the historic and beautiful Shenandoah Valley in Harrisonburg, Va., a pleasant and attractive community of 17,000 people. The Madison campus, on 360 acres of rolling hills, offers a view of the Blue Ridge Mountains to the east and the Alleghenies to the west.

The primary purpose of Madison College is the development of citizens who can make positive contributions to society. The College is committed to excellence in the intellectual, cultural, social and professional growth of its students. Madison also serves the citizens of the region through its instructional research and public service efforts.

Madison College is a co-educational, state-aided college of arts and sciences operated under its own Board of Visitors. While it fulfills the role of a liberal arts institution, the College continues to prepare teachers for the Virginia public schools by offering courses in specialized fields of education.

Madison College was established in 1908 as an all-women's school. The College opened in 1909 with an enrollment of 209 students and a faculty of 15. In 1966 the Virginia General Assembly authorized Madison to become co-educational and of the current enrollment of 7,000 about 3,000 are men.

Since 1949 the Madison campus has been enlarged by 240 acres and about two dozen new buildings have been constructed. The buildings are part of a capital outlay expansion plan which has been increased and projected to provide for a student enrollment of 7200 by 1980. About half the students will be men.

The Percy Warren Campus Center, a modern student activities building, was completed in 1970 and Godwin Hall, the College's athletic complex, was completed in the spring of 1972 and first used for basketball during the 1972-73 season.

The students at Madison College have varied backgrounds that are typical of American life, representing large cities, medium-sized cities, suburbs and rural areas. About 20 per cent of the students are from outside the state of Virginia with many states and foreign countries represented in this group.

FOOTBALL AT MADISON COLLEGE

Madison College enters todays game coming off their "best half" of football this season. That was in a 29-24 loss to Randolph-Macon and put the Dukes record at 4-3.

The trouble was that the "best half" was preceeded by the "worst half" of football this season. In that game, Madison managed a total of 101 yards of total offense during the first half. Of those 101 yards, 98 were on the ground and three were on passing. Randolph-Macon rolled up 250 yards and 23 points in the half to just six points for the Dukes.

During the second half, the Dukes ran from another 99 yards, while adding 108 in the air. Madison scored three times during the second half, including an off-tackle 64 yard touchdown by Ron Stith.

Heading the list of running backs for the Dukes is sophomore tailback Bernard Slayton. In six games, he had 81 carries for 513 yards and a 6.3 per carry average. He is followed by sophomore tailback Ron Stith with 69 carries for 306 yards and a 4.4 average. Both players have also scored five touchdowns in seven games and Stith has also scored on a two-point conversion.

Heading the passing for the Dukes is junior quarterback Leslie Branich. He has completed 40 of 89 passes for 666 yards and six touchdowns. He has been intercepted eight times. He is also the third leading rusher and scorer on the team with 65 carries for 241 yards in six games and four touchdowns in seven games.

Senior Len Fields is the leading receiver for Madison. He caught 17 passes in the Dukes first six games for 266 yards and two touchdowns. He added a third TD against Randolph-Macon.

Like Salisbury, this is Madison's third year of intercollegiate football. Last year, the Dukes played only two varsity games, defeating Gallaudet, 40-12, and falling to the Sea Gulls, 42-7. This season, their entire schedule has been on the varsity level.

Madison College
Harrisonburg, Va. 22801
Colors: Pruple and Gold

The SSC Marching Band

HOMECOMING THROUGH THE YEARS

The Salisbury State College Marching Band and Band Front cordially welcomes visiting SSC alumni to the final game of the 1974 Football Season.

Patriotism is an ideal that receives nurture continually in our society, constantly feeding on the successes as well as the failures. The Pre-Game presentation of the band dwells on this subject as they recall several songs prevalent in our history; the hymn "Chester", a song of the American Revolution and the Civil-War-related composition, "The Battle Hymn of the Republic", America today is seen through many eyes, each person visualizing in their own way as Don McLean did in his "American Pie" and through the collaboration of Katherine Bates' and Samuel Wards', "America the Beautiful". You are then asked to stand for the Salisbury State College Alma Mater and the National Anthem. The Pre-Game show will conclude as the team takes the field and the SSC Cheerleaders, a group of girls who work very hard to create football spirit, lead us in the SSC Fight Song.

Halftime today is unique in that the show theme is a reflection of Homecoming Dances through the years. To visually enhance such a production, we welcome the Modern Dance Club under the guidance of Miss Janetta McNamara who will perform appropraite dance steps to highlight Homecoming as it may have been in 1900, 1920, 1940, and anytime from 1950 to the present. The members of the Club in order of appearance are: Terry Kwiatkowski, Andrea Brulin, David Gelman, Peggy Slacum, Lynn Meisenholder, Brenda Smith, Karen Allen, Tom Burton, Ceci Corddry, and Marcie Losonczy.

If SSC had been in existence in 1900, the popular dance at Homecoming could easily have been the Ragtime, quite possibly one written by Scott Joplin. The band supports this dance with Joplin's "Maple Leaf Rag" as they present an exciting spiral maneuver. The 1920's saw another "dance of the times", the Charleston. Several members of the audience today should fondly remember this one. One of the most violent and frenzied popular dances in history occured in the 1940's and was danced to the music known as "swing". Known as the Lindy or more popularly, the Jitterbug, it was often danced to such tunes as Irving Berlin's "I've Got My Love to Keep Me Warm", From 1950 to the present, the styles of popular dance are too numerous to mention. To close the halftime presentation of the band and dance club, we hear the 1952 version of "Night Train" made famous by Buddy Morrow and his orchestra as the Dance Club fleetingly takes you through the Bop, Twist, Bump, Freddie, Jerk, and undoubtedly several more.

We wish to express our gratitude to the Modern Dance Club and Miss McNamara for their participation today and likewise to thank all who have contributed in any way toward the success of this marching session, especially the hard-working members of the Salisbury State College Marching Band, Majorettes, and Display Flags.

HOW THEY'VE DONE

VOLLEYBALL

First year coach Arden Peck has plenty to smile about as the She Gulls boast a 19-6 record. The team has improved each week. In the last two weeks, they have scored a first place finish at the Princeton Invitational and a second place finish last Saturday in the Salisbury Invitational.

Captain Andy Stroup and senior Cecil Morrison have been the leading players on attack for the spikers. Sophomore Marilyn Thomas has done an excellent job setting for the attack players while also doing well covering the back court. Senior Vicky Kazmerski has been a consistent server and back court defensive player.

The team is at the Maryland Championships this weekend and the players and coach are hoping to go to the regionals at the University of Delaware Nov. 22 and 23.

CROSS COUNTRY

The cross country team has posted a 6-5 record thus far this season, but two big meets lie ahead. This afternoon, the harriers of Coach Lloyd Sigler will entertain Rutgers-Camden. The meet will start and finish right in front of the home stands in the Staduim, with the starting time about two minutes before halftime. A year ago, the harriers defeated the Pioneers, 15-50.

Heading the list of runners for the Gulls is sophomore Vernon Johnson. Johnson has led the Salisbury runners to the finish line in every meet. Against York College Oct. 5, Johnson set the school record for the 4.45 mile City Park Course, finishing in 23:51. He is just 22 seconds away from the course record.

Junior Ron MacLeod and freshman Roger West have been alternating at finishing in the second and third slots for the Gulls. Senior Paul Arnold, the former holder of the school record, now holds down the fourth spot while the only other senior on the team, Bob Leo is the sixth man.

Following today's meet, the harriers will host UMBC Nov. 15 before traveling to the Mason-Dixon Conference Championships the following day.

SOCCER

Sea Gull soccer mentor Benn Maggs had yet another 500 or better season, closing out with a 6-6-2 record. Although no one is quite sure what his coaching record is, all agree that it is well over the 50 percent mark.

In Salisbury's first year in the tough Mason-Dixon Conference, the Gulls faired well. Senior center forward Harry Winters lead the team in scoring, with his best day a five goal effort against Lincoln University. Salisbury won that game 8-0.

Captain Gene Hawke had an outstanding year both on defense and offense. His best day was a two goal and one assist effort in the Gulls' 6-0 victory over Millersville. Freshman goalie Brad Cordrey recorded three shutouts during the season as he proved to be an outstanding goalkeeper.

FIELD HOCKEY

First year coach Linda Farver faced a tough situation when she arrived at Salisbury this fall. After suffering an appendicitis which kept her out of practice for two weeks, she than had the task of taking an inexperienced squad against some leading eastern teams.

Nine seniors graduated from last year's team. Seniors Shelly Cool, Pat Coward, Sharon Denney and Michelle Dill and junior Debbie Bloodsworth were the returning nucleus. It took a while for the She Gulls to put it all together, but they won three and tied one of their final four games of the season, finishing with a 4-6-2 record.

Bloodsworth will represent the She Gulls at the Southeast Sectional Tournament. She will play at the right halfback slot on the first team selected at the Washington College Association Tournament last weekend.

Leading scorer for the hockey women was junior Felicia Fortunato with five goals and six assists. Coward was the second leading scorer with five goals and two assists.

TENNIS

The She Gulls tennis team scored its first victory in three seasons of play, defeating UMBC, 4-3, Oct. 7. In her first year of coaching the tennis team, Gretchen Coleman was pleased with the improvement of her team.

All but one of the contests during the season was close, being decided by one or two matches. Marcia Payne, Jessica Fennel, Sue Demarest and Donna Kline were all singles players. The No. 1 doubles team of Zana Knutkowski and Shelia Lofland also won three of four of their doubles matches.

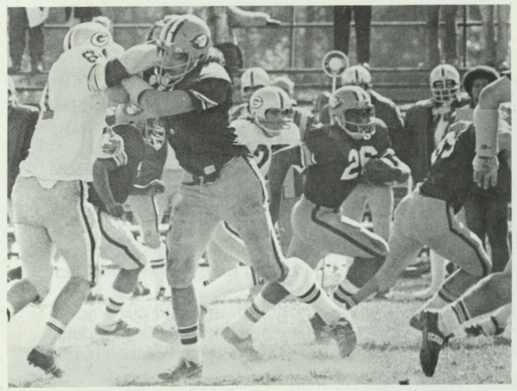
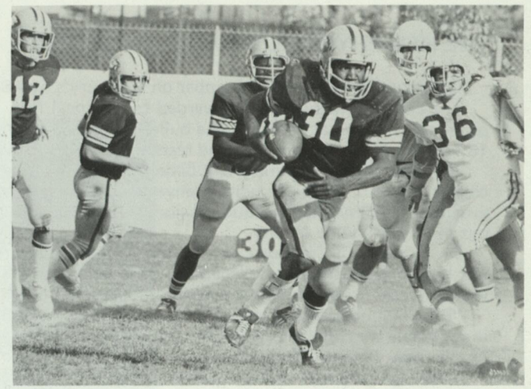
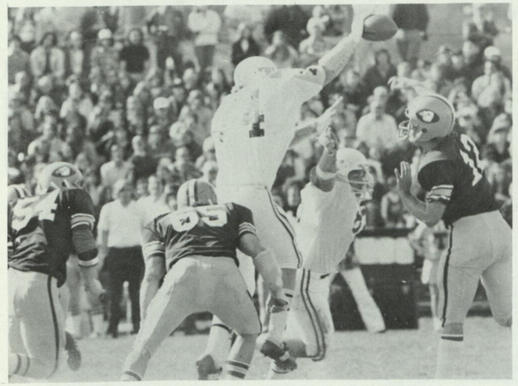
Panorama of Action from Recent Games



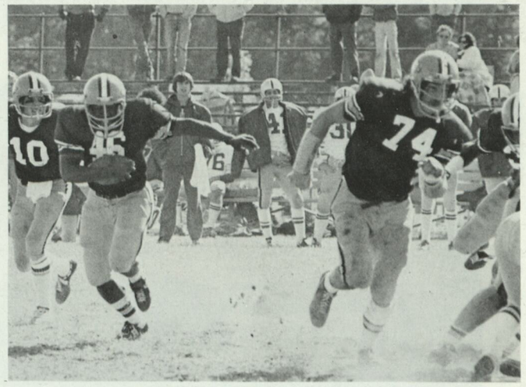
Jim Watson gains some yardage against Georgetown as Bart Boucher blocks.



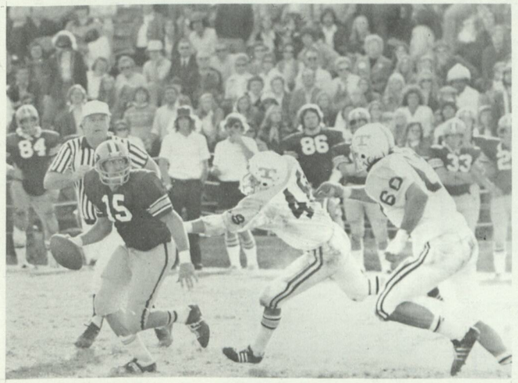
Levi Shade looks for running room around the right side of the line. Other players in the Towson game were Dave Cooper (12), Tony Furr and Elmoses Harvey.



Quarterback Dave Cooper (right) had a rough afternoon against Towson. The Tiger's Eldridge Haley is shown knocking down one of the four passes he personally blocked.



Leon Burks (46) takes the handoff from QB Chuck Burns. Bart Boucher (74) pulls from his guard slot to block against Georgetown.



Quarterback Dave Rose feels the pressure put on by Towson's defense.

Quarterback Chuck Burns finds some running room against Georgetown.

The Academic Side

THE NEW PHYSICAL EDUCATION CENTER

Construction began in September on Salisbury's new $4.8 million Physical Education Center.

The contract was officially awarded to the local firm of J. Roland Dashiell and Sons, Inc. by the Maryland Department of General Services. The building will be located on the site of the present college baseball field, off Route 13 near Devilbliss Science Hall and Memorial Student Union.

The Salisbury community will benefit generally from the new college Physical Education Center. It will enable college students to pursue normal physical athletic functions relative to the dramatic growth of the college academic program. The Physical Education major is one of the college's fastest growing programs and is presently being carried out in an inadequate facility.

Dr. Norman C. Crawford, Jr., President of the Salisbury State College, commented on the new structure: "We are not only pleased that the college will now have an adequate facility to benefit our increased number of students, but we are happy to be able to serve additional needs of our community.

"Providing educational services to the community is at the top of our higher educational objectives and our academic programs are constantly geared in this direction. We feel that many community sports functions may be scheduled in this new facility. The indoor swimming pool will also be opened at specified times for use by the general public.

"The new structure will be an asset to our entire community," Dr. Crawford added.

Included in the Physical Education building will be a main arena which is expected to seat 3,000, a multi-purpose gymnasium, classrooms, an Olympic size pool, general showers and lockers, varsity team room, visiting team-room, officials' dressing room, training rooms, laundry, ticket booth, student lounge, three handball courts, gymnastics room, wrestling room, weight lifting room, multi-purpose room, faculty lounge, faculty offices, and faculty showers.

According to the contract signed with the contractor, the Physical Education Center is expected to be finished by September, 1976.
